www.abcd.graphics

OBJECTIVE

A web and graphic designer, front-end developer, and branding expert with **11.8+ years of experience**, specializing in UI/UX design, branding, and web development. Passionate about creating visually compelling, high-performance, and user-friendly experiences using React.js, Next.js, and modern design principles. Skilled at blending aesthetic design with functional development to strengthen brand identity and drive success.

SUMMARY

Creative Visionary & Branding Expert

Passionate web and graphic designer with 11.8+ years of experience, crafting impactful digital experiences by blending creativity, user-centric design, and modern technology to elevate brand identity.

Founder of ABCD – Personal Design Portfolio

Established abcd.graphics as a creative hub, showcasing expertise in branding, UI/UX design, website development, and digital storytelling. Proven ability to create compelling visual narratives that help brands stand out.

Full-Stack Design & Development Proficiency

Experienced in designing and developing responsive, high-performance websites using React.js, Next.js, WordPress, and OpenCart. Skilled in delivering end-to-end design solutions that ensure seamless user experiences.

Leadership & Mentorship

Successfully led cross-functional teams, mentored designers, and collaborated with marketing and engineering teams to deliver aesthetic, functional, and conversion-driven digital assets.
